PART II TEACHING PLAN

Introduction

ATTENTION: Today, we will have a formal inspection. CAP 3 cadets will fill the leadership positions.

MOTIVATION: A formal inspection is used to identify any areas of uniform wear that may need correcting. I know each of you will pass with flying colors!

OVERVIEW: During this period, cadets will participate in a formal inspection with CAP 2 cadets. CAP 3 cadets will fill all leadership positions based on availability of cadets.

TRANSITION: FALL IN!

Body

NOTE: The instructors of the two classes will coordinate the formation and inspection process prior to this activity.

MP 1 Cadets from CAP 3 will fall in with the CAP 2 cadets, at the opening ceremony, and the CAP 3 cadet staff will perform an in-ranks inspection after the general assembly. No inspection will be conducted during the opening ceremonies.

MP 2 Upon completion of the formal inspection, the instructors will assist in the critique of the event. This is primarily a cadet run event and the instructors should observe it and discuss any issues with their own cadets.

Conclusion

SUMMARY: You have participated in a formal inspection with subordinate cadets, as their leaders. I have critiqued you on your performance and you know where you stand in relationship to each other.

REMOTIVATION: What you have accomplished today is to show the lower classmen the importance of wearing the uniform correctly and how the cadet staff performs its duty during an inspection.

CLOSURE: DISMISSED!
